IPSP 2024

**14th Conference of the IOBC/WPRS
Workig Group on the Integrated
Protection of Stored Products**

**16th to 20th September 2024
NOVI SAD, SERBIA**

THIRD ANNOUNCEMENT

Dear colleagues,

As the **14th Conference of the IOBC/WPRS Working Group on the “Integrated Protection of Stored Products - IPSP2024”** is approaching, the organizers have the pleasure to inform you that the submission is closed and by now significant number of papers has been submitted.

The organization of the Conference is progressing as planned and we are looking forward to hosting you in Novi Sad, from 16th to 20th September.

We invite you to refer to the conference web site <https://iobc-ipsp-ns2024.com/> to find current information about the scientific program, organization, accommodation, conference tours etc.

This **IPSP 2024** Conference will explore the advances in stored product protection in the following topics:

Session 1. Biology, ecology, biodiversity and behaviour of stored product pests

Session 2. Biological control and natural products in stored product protection

Session 3. Physical control, controlled atmospheres, hermetic storage and extreme temperature in stored product protection

Session 4. Chemical control of stored product pests and pest resistance

Session 5. Prevention methods from postharvest to final product

Session 6. Food and feed safety

Session 7. Stored product insects as food and feed

PLENARY SPEAKERS

Mitochondrial mutations in genetic biocontrol of pest insects, [MIRKO ĐORĐEVIĆ](#), PhD, Institute for Biological Research "Siniša Stanković National Institute of the Republic of Serbia, Belgrade, Serbia

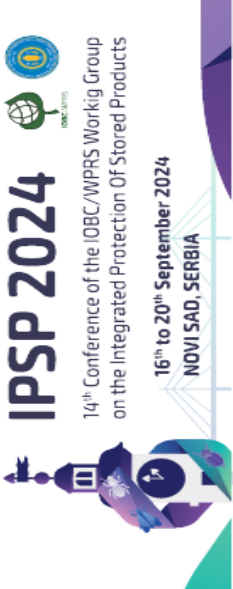

New trends in Eco-Evo research in stored product entomology, [FILIP VUKAJLOVIĆ](#), PhD, Faculty of Science, University of Kragujevac, Serbia

Management of harmful rodents: Can we do more?
[GORAN JOKIĆ](#), PhD, Institute of Pesticides and Environmental Protection, Belgrade, Serbia

Date	16.09.2024.	17.09.2024.	18.09.2024.	19.09.2024.	20.09.2024.		
Time	Monday	Tuesday	Wednesday	Thursday	Friday		
10:00	Registration of participants	PLENARY LECTURE , Mirko Đorđević "Mitochondrial mutations in genetic biocontrol of pest insects"	PLENARY LECTURE , Goran Jokić "Management of harmful rodents: can we do more?"	PLENARY LECTURE , Filip Vukajlović "New era of Eco-Evo research in stored product entomology"	SESSION 6 Food and feed safety		
10:30		SESSION 1 Biology, ecology, biodiversity and behaviour of stored product pests (Part 2)	SESSION 3 Physical control, controlled atmospheres, hermetic storage and extreme temperature in stored product protection (Part 1)	WORKSHOP 2 "Biorational methods for stored seed pests control and protection: To serve and prevent by SafeSeed project"		SESSION 7 Stored product insects as food and feed	
11:00							
11:30			Coffe break and poster session	Coffe break and poster session	Coffe break and poster session	Final remarks and discussion	
12:00	OPENING CEREMONY: IOBC liason IOBC group convenor Representative of the Ministry of Science Representatives of Provincial Secretariats Director of IFVCNS	SESSION 2 Biological control and natural products in stored product protection	SESSION 3 Physical control, controlled atmospheres, hermetic storage and extreme temperature in stored product protection (Part 2)	SESSION 5 Prevention methods from postharvest to final product	Closing ceremony		
12:30							
13:00							
13:30	Welcome drink				 <p>IPSP 2024 14th Conference of the IOBC/WPRS Working Group on the Integrated Protection Of Stored Products 16th to 20th September 2024 NOVI SAD, SERBIA</p>		
14:00		Lunch break	Lunch break	Lunch break			
14:30	SESSION 1 Biology, ecology, biodiversity and behaviour of stored product pests (Part 1)	Lunch break					
15:00		WORKSHOP 1 "Interactive Workshop on Stored Grain Protection: Challenges, Innovations, and Industry Outlook by NovIGRain Research Project"	SESSION 4 Chemical control of stored product pests and pest resistance	Technical tour 2*			
15:30							
16:00							
16:30							
17:00	Guided city tour - optional	Technical tour 1*					
18:00							
18:30							
19:00							
20:00			Conference dinner				
21:00							

*Please note that technical tours can be subjected to a change

Within the **IPSP2024** Conference, two workshops and two technical tours will be organized for participants.

WORKSHOP 1 „Interactive Workshop on Stored Grain Protection: Challenges, Innovations, and Industry Outlook by NovIGRain Research Project"

WORKSHOP 2 "Biorational methods for stored seed pest control and protection: To serve and prevent by SafeSeed project"

TECHNICAL TOUR 1. A visit to Danubius company. Danubius is the market leader in Serbia in the sale of flour and pasta. It is considered that in Serbia, every third pastry or bread, pasta, or cake is made from products from Danubius. Danubius factory of flour, pasta, and bakery products was founded In the year 1976, and in 2006 it became a member of the Delta Corporation. The production was improved by reconstructing equipment in the silos, replacing all the equipment in the mill, and introducing the latest pasta production line. The production and packaging equipment are now automated with robotics. Throughout the years, Danubius has evolved, adapting to the changing times while preserving its time-honored values and commitment to providing high-quality products. Danubius impresses with its preserved tradition and widely renowned quality of milling products and pasta.

TECHNICAL TOUR 2. A visit to main processing facility and Distributive center of [the Institute of Field and Vegetable Crops \(IFVCNS\)](#). This facility is used for maize, soybean and cereal processing at IFVCNS, with a capacity of 10 tonnes per hour, equipped with new seed sorters, pesticide applicators and packaging equipment. Distributive center is a pallet storage center with capacity of 8000 tones (pallet places) distributed at four levels. It is equipped with an automated ventiation and sensors for continuous monitoring of temperature and humidity, and with one segment, a cold chamber, with controlled conditions (temperature 10-15 °C). It is designed for storing of different seed commodities.

Please note that technical tours can be subjected to a change.

REGISTRATION

- ✓ Registration is required to attend all scientific sessions, tours and social events.
- ✓ Please note that only fully registered participants will be admitted to the scientific sessions and that presenting authors must be registered participants.
- ✓ The regular registration fee will be charged from **15th June** till **13th September 2024**.
- ✓ After **13th September 2024**, all payments will be charged as On-site registration fee.

Conference fees*

Category	Early bird registration fee (before 15 th June)	Regular registration fee (from 15 th June till 13 th September)	On-site registration fee (after 13 th September)
IOBC members	350 EUR	450 EUR	500 EUR
Non IOBC members	470 EUR	570 EUR	620 EUR
Students**	200 EUR	250 EUR	300 EUR
Accompanying person	100 EUR	100 EUR	100 EUR
Daily fee***	150 EUR	150 EUR	150 EUR

* VAT is included in all fees

** Student certificate issued by the relevant Faculty is required as a proof

*** Conference dinner not included

The Conference fee includes:

- ✓ Welcome drink
- ✓ Official conference program
- ✓ Conference proceedings (in pdf format)
- ✓ Participation in all scientific sessions and workshops
- ✓ Coffee breaks
- ✓ Technical tours
- ✓ Conference material
- ✓ Conference dinner.

Accompanying persons are welcome to participate in social activities (welcome drink, technical tours and conference dinner).

NOTE: All the details about **PAYMENT** methods and **CANCELATION AND REFUND POLICY** are available on the Conference website.

SCIENTIFIC COMMITTEE

Sonja Gvozdenc, Institute of Field and Vegetable Crops (IFVCNS), Serbia

Jordi Riudavets, IRTA, Cabrils (Barcelona), Spain

Sara Savoldelli, University of Milan, Italy

Benjamin Fürstenau, Julius Kühn- Institut, Berlin, Germany

Anita Liška, Faculty of Agrotechnical Sciences, Osijek, Croatia

Filip Vukajlović, University of Kragujevac, Faculty of Science, Serbia

Cornel Adler, Julius Kühn- Institut, Berlin, Germany

Stanislav Trdan, University of Ljubljana, Slovenia

Vaclav Stejskal, Crop Research Institute, Prague, Czech Republic

Christos Athanassiou, University of Thessaly, Greece

Nuria Agustí, IRTA, Cabrils (Barcelona), Spain

Maria Otilia Carvalho, University of Lisbon, Portugal

Goran Jokić, Institute of Pesticides and Environmental Protection, Serbia

ORGANISING COMMITTEE

IOBC Coordination

- *Marc Bardin (IOBC liaison officer)*
- *Jordi Riudavets (IRTA, Convenor)*

Local organization (IFVCNS, Serbia)

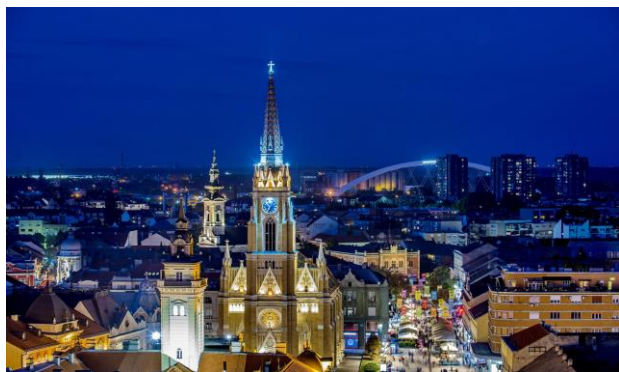

- *Sonja Gvozdenc*
- *Željko Milovac*
- *Filip Franeta*
- *Ana Marjanović Jeromela*
- *Sandra Cvejić*
- *Jelena Ovuka*
- *Aleksandra Ilić*
- *Brankica Babec*
- *Miloš Krstić*
- *Nemanja Ćuk*
- *Nada Grahovac*

VENUE

The conference will take place in hotel Sheraton, Novi Sad, Serbia.

<https://www.sheratonnovisad.rs/>

The City of Novi Sad, the capital of the autonomous province of [Vojvodina](#), lying on the banks of the [Danube](#) river, in the south of the Pannonian plain, facing the slopes of [Fruška Gora](#) (17 culturally and historically significant monasteries). In addition, there are 17th-century Petrovaradin Fortress, appealing old city center, numerous museums, prestigious Novi Sad Fair, as well as many world famous festivals and events. Novi Sad has been a was a European City of Culture in 2022.

Aside from Sheraton hotel, there are other **available accommodation options**.

[Hotel Aleksandar](#)****

[Hotel Ami](#)****

[Hotel Centar](#)****

[Hotel Dash](#)****

[Hotel Vojvodina](#)***

[Hotel Veliki](#)***

[Hotel Putnik](#)***

[Hotel Zenit](#)***

For additional accommodation options please visit <https://novisad.travel/>.

You can also find large offer of hostels or private accommodation in Novi Sad.
